The Crowden School: Middle School Math Teacher (part-time)

The Crowden School seeks a part-time Sixth and Eighth Grade Math Teacher to begin in Fall 2022.

Crowden is committed to creating a diverse environment and is proud to be an equal opportunity employer. We value an inclusive community of students, parents, faculty and staff, and supporters, celebrating our many differences and uniting in our shared love of music of all kinds and origins. Crowden does not discriminate on the basis of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status. Applicants from diverse backgrounds are strongly encouraged to apply.

BACKGROUND:

The Crowden School, a coeducational day school for grades three through eight, provides a distinguished education with chamber music at the core. Founded in 1983 by Scottish violinist Anne Crowden, The Crowden School is the flagship program of the Crowden Music Center, a non-profit organization that combines music and education to nurture, develop, and inspire students of all ages. Altogether, Crowden serves an annual audience of 12,000 with a rich array of music classes, workshops, events, and concerts.

POSITION SUMMARY:

The Crowden School is seeking a dynamic and collaborative math teacher with an understanding of and passion for teaching middle school-age students.

The Middle School Math teacher will be responsible for designing and delivering math classes appropriate to the needs of intelligent and inquisitive sixth and eighth graders, and aligned with common core standards. Crowden School teachers are expected to differentiate their lessons, such that students are appropriately challenged within their developmental level.

The successful candidate will demonstrate expertise and enthusiasm for the subject matter, strong classroom management skills, and a willingness to work as part of a team. Math classes meet five times per week and Science classes meet four times per week in 45-minute periods.

This is a half-time position. Candidates who are interested in full-time work may be considered for supplementary administrative duties to create a full-time position.

Schedule will be determined by mutual agreement with the Principal. The position will begin in August 2022.

DUTIES AND RESPONSIBILITIES:

- Teach Sixth Grade Math using the CPM curriculum, adding supplementary materials as needed to support the learning needs of the class. Broadly speaking, the curriculum includes course-level mathematical concepts and skills introduced and reviewed through problem-solving sets and hands-on activities.
- Teach Eighth Grade Algebra using the McDougal Littell textbook as a basis.
- Develop lessons that support and extend the students' understanding through team activities and whole-class lessons.
- Differentiate instruction as required to teach to a range of intelligences and learning styles, applying a variety of assessments to measure student mastery and progress.
- Create an inclusive and welcoming classroom environment where each voice is celebrated.
- Be attuned to the specific learning needs and social and emotional development of each student.
- Employ age-appropriate classroom management techniques.
- Communicate effectively with students and parents.
- Participate actively in department, grade-level, and faculty meetings as scheduled.
- Supervise children during lunch and/or recess, as assigned.
- Maintain up-to-date inventory of instructional materials.
- Maintain professional standards of conduct, respect, and collegiality.
- Other duties as assigned

QUALIFICATIONS:

- Bachelor's degree in math, science, or a related subject.
- Teaching credential desired but not required.
- Experience with standards-based curriculum.
- Classroom teaching experience with sixth graders.
- Ability to differentiate instruction to address the needs of all students.
- A passion for interacting with middle level students in and outside of the classroom.

- A commitment to collaborating with colleagues to build and sustain the school community.
- Excellent communication skills and commitment to keeping parents informed and engaged.
- A sense of humor and a “can-do” attitude.
- Employment dependent on satisfactory completion of background check and TB test.

FULL-TIME EQUIVALENCY: 50%

COMPENSATION: \$33,579 with the possibility of additional pay for additional duties.
