

Which program is right for me?

A Guide to Crowden's Youth Summer Ensembles

Crowden offers summer ensemble programs for young musicians at every level.

Students who would like to enroll in an ensemble workshop are required to schedule an audition. *Crowden will contact students to schedule an audition after receipt of the registration form.*

The guidelines below provide a summary of each program to help you find your fit. Please register for the workshop that best matches your current experience level. In the occasional cases when we would like to place you in a workshop other than the one for which you have applied, we will contact you to discuss your options.

For more information about each workshop, please refer to the course descriptions or crowden.org/summer.

SUMMER STRINGS

- **Ages:** 7–12
- **Instruments:** violin, viola, cello
- **Years of experience on the instrument:** 0–4 (students with 0–6 months experience do not require an audition)
